+ so much more

(for full line up so far see Editors notes.)

ANTI-NOWHERE LEAGUE announced (2nd Jan 2015) as the headline act for Friday 18th September 2015 at Undercover Festival III.

Not resting we have hit the ground running for 2015, we are pleased with ANTI-NOWHERE LEAGUE along with Saturdays headline act THE DAMNED, for Sunday we have the UK SUBS and PENETRATION as joint headliners.

We expect the full line up to be announced over the next few weeks.

Early bird tickets have flown out since we announced The Damned and are now sold out. Ticket sales compared to last year are considerably up on last year.

Weekend tickets are now £75 in advance for 56 bands which we still feel is pretty good value.

UNDERCOVER FESTIVAL set in and around the unique setting of Bisley Pavilion,

Bisley Camp nr Woking Surrey, a festival venue and experience that defies all other conventions and festival templates.

UNDERCOVER FESTIVAL 3 DAY PACKED MULTI GENRE FESTIVAL OF Punk / Ska / Dub / Reggae / Post Punk + so much more!!!

The thing about this festival more than any other in our opinion is a melting pot of the genres, crew, the bands, the venue but last and not least the varied / fun nature of those there that made this a festival that we firmly believe no other promoter will be able to re-create.

For 2015 we are sticking with the 2 stages as the synergy between both stages was excellent.

Please note: For the avoidance of any doubt The Undercover Festival is not an open air festival - the festival will be held in 2 rooms plus other areas at the Bisley Pavilion nr Woking Surrey – undercover by nature of the music policy of this festival and **undercover - well because it is....**
